2017 Personal Tax Deadline almost here!

Hello Friends and Clients!

It's almost the end of the tax season to file your 2017 personal income tax return on time. Individuals who have a balance owing and don't file by the due date of Monday, April 30th, 2018 will have to pay a late filing penalty 5% and 1% per month on the balance owing. If you or your spouse or common-law partner is self-employed in 2017, you have until midnight on Friday, June 15th, 2018 to file your 2017 return(s). You still have to pay your amounts owing by Monday, April 30th, 2018. Unfortunately last year I had to turn work away because my time is extremely tight for the next few weeks so please don't be disappointed if I can't get to you right away. Thanks for your understanding in advance!

Always at your tax service,

Neel
