Summer's Here and We are On Duty as Always for You

Hello Friends and Clients!

I hope your taking in some sun and fun this summer. The [Farmer's Almanac predicts a wet and cooler one this year for the West](#) which is good news for our ranchers. As always, I'm heading to hit Canada's surf capital [Long Beach](#) (see pic below) with friends on Vancouver Island for in August but still working for you no matter what time of year. Therefore, be assured the same great service you are used to at tax time is very much still going as usual regardless the season. After all, CRA does not shut down for a vacation. So, if you are behind and need to catch up, we will be here for you, no matter how good the weather!

Always at your tax service,

Neel
